

Date of notice: 23 June 2021

Temporary road closure:	Companion Crescent and Ginninderra Drive Intersection, Flynn
Date the works will start:	28 June 2021, 7am (weather permitting)
Work hours:	7am to 5pm Mondays to Fridays 8am to 1pm Saturdays (We will advise you if work is required outside of these hours.)
Duration of the works:	6 days (intersection re-open by 5pm Saturday 3 July 2021)
Description:	The intersection of Companion Crescent and Ginninderra Drive, Flynn will be temporarily closed to install new sewer pipe for the Belconnen Trunk Sewer project.

Why is the intersection being temporarily closed?

We are upgrading the Belconnen trunk sewer which services Belconnen, Gungahlin and Hall. As part of this work, the new sewer pipe crosses Companion Crescent, Flynn. The temporary closure is needed to allow access to lay the new sewer pipe safely under the roadway.

Once installed, the work area will be returned to its previous condition including new asphalt, kerbing and line marking. Please observe all detour signage and follow advice provided by traffic controllers.

For the duration of these works Transport Canberra bus services will be diverted through Nulsen Circuit, Flynn. For further details please visit www.transport.act.gov.au

We apologise in advance for any inconvenience these essential works may cause and thank you for your cooperation and support.
